Business Loans

- Project/financing assessment and analysis: free of charge
- Processing of financing applications: a percentage of the amount financed will be deducted, as per the table below, with a minimum charge of €250.

Funded Capital	Commission to be deducted
Up to € 15.000	4,0 %
From €15.000 to € 50.000	3,5 %
From €50.000 to € 150.000	3,0 %
From €150.000 upwards	2,5 %

- Loan contract administration and payment processing: 1% of the outstanding amount.
- Early repayments: free of charge
- Late payment fee: 4% of the overdue instalment amount, with a minimum of €12 and a maximum of €150. Interest on arrears is charged at the statutory rate.
- Fee for loan restructuring: 0.5 per cent of the outstanding principal, with a minimum of €100.
- Resolution of disputes relating to direct debits: €50 per disputed direct debit.

In the event of judicial or out-of-court recovery of defaulted debts, all associated costs are borne in full by the debtor, including court costs, reimbursement of lawyers' fees and enforcement agents' fees, amongst others.

Invoice Financing

- Project/financing assessment and analysis: free of charge
- Invoice sale processing: a deduction of 0.15% of the value of the successfully sold invoice, plus 0.1% for each day between the date the invoice is put up for sale and the invoice due date, subject to a minimum of €10. The table below shows the fees to be deducted for the most common due dates.

Invoice due date	Commission to be deducted
30 days	0.45%
60 days	0.75%
90 days	1.05%
180 days	1.95%
360 days	3.75%

- Late payment charge: interest at the statutory rate.

The Promoter, as the seller of the invoice, remains responsible for its payment at all times. In the event of definitive default on payment of the invoice by the Promoter's client and the original payer of the invoice, payment shall be demanded from the Promoter. In the event of default and the need for judicial or extrajudicial debt recovery, all associated costs shall be borne in full by the debtor Promoter, including court costs, reimbursement of lawyers' fees, enforcement agents' fees and others.

Rent Advance

- Project/financing assessment and analysis: free of charge
- Processing of the rent advance: a percentage deduction from the amount financed, as per the table below, with a minimum of €150.

Funded Capital	Commission to be deducted
Up to € 50.000	3,5 %
From €50.000 to € 150.000	3,0 %
From €150.000 upwards	2,5 %

- Charge for late payment of rent: interest on arrears at the statutory rate.

The Developer remains at all times liable for the payment of rent in advance. In the event of definitive default on rent payments by the tenant of the Developer – who is the original payer of the rent – payment of the rent shall be demanded from the Developer. In the event of non-payment and the need for judicial or extrajudicial recovery, all associated costs shall be borne in full by the debtor Developer, including court costs, reimbursement of lawyers' fees, enforcement agents' fees and other related costs.

Notes:

VAT will be added at the statutory rate in force.
